

2025 Approved Monitoring Firms for GAPC Certification

All monitoring firms set their own pricing. Scheduling, invoicing, and payment are the responsibility of the grower and their chosen Monitoring Firm.

ALGI

With over 30 years of experience in verification services and headquartered in Aventura, Florida, our seasoned team is dedicated to providing fast and customized solutions for farmers and growers at every stage of service. This expertise has been honed through work with various schemes and codes of conduct across the Americas. Having collaborated with you as an approved GAP Connections (GAPC) monitoring firm during the 2022 and 2023 seasons, we are thrilled to continue supporting your goals for GAPC Certification in the 2025 season.

Just like our last season, our Certification pricing for 2025 includes **Remediation through desktop review** at no additional cost. This guarantees you a comprehensive service without unexpected fees following your audit visit. Our dedicated team is available to address your questions and concerns before, during, and after the audit process. Audit visits will be scheduled at your convenience and, considering our itinerary, with at least two weeks' notice, and our coordinators will keep you informed at every stage of the process.
