

Daily Health Checks

- Take forehead or ear temp if thermometer available. Isolate and get medical attention for temp over 100 and for any yes answers.
- If normal temp, do you feel well today? Se siente bien hoy?
- Do you have a sore throat? Le duele la garganta?
- Do you have a headache? Le duele la cabeza?
- Do you have unusual body aches? Tiene dolores del cuerpo mas de la normal?
- Do you have a cough? Tiene algo de tos?
- Can you taste and smell food as usual? Se puede gustar y oler la comida normalmente?
