

COVID-19 Agriculture Resource and Information Guide

FIELD PROCEDURES FOR AGRICULTURE WORKERS

There is currently no vaccine to prevent the novel coronavirus disease (COVID-19).

You can protect yourself and help prevent spreading the virus to others, if you:

-  • Maintain a social distance of at least six feet between you and your fellow coworkers.
-  • Wash hands often with soap, for at least 20 seconds.
-  • Do not shake hands with coworkers.
-  • If anyone is experiencing symptoms of illness, they should immediately isolate themselves and contact the nearest healthcare facility.

COVID-19 SYMPTOMS

- Dry Cough
- Sore Throat
- Fever
- Difficulty Breathing
- Tiredness

**Dial 2-1-1 for COVID-19
assistance and
resources.**

**From a smartphone,
text COVIDNC to
89821 to receive alerts
and updates on North
Carolina's response.**
